

IRS Renews Phone Scam Warning

IRS Special Edition Tax Tip 2014-10, April 14, 2014

The IRS today renewed its Oct. 2013 warning about a pervasive phone scam that continues to target people across the nation, including recent immigrants. The Treasury Inspector General for Tax Administration called it the largest scam of its kind. As of March 20, TIGTA reported that it has received reports of over 20,000 contacts related to this scam. TIGTA also stated that thousands of victims have paid over \$1 million to fraudsters claiming to be from the IRS.
