

Public Information Meeting

for the **US 550 Reconstruction Project, NM 313 to NM 528**, Bernalillo, NM

Control Number: A301232/A301233

The New Mexico Department of Transportation (NMDOT) and the Federal Highway Administration (FHWA) will hold a public meeting to discuss the reconstruction of US 550. The NMDOT is widening US 550 from NM 313 to NM 528 through Bernalillo and constructing a new bridge north of the existing bridge over the Rio Grande.

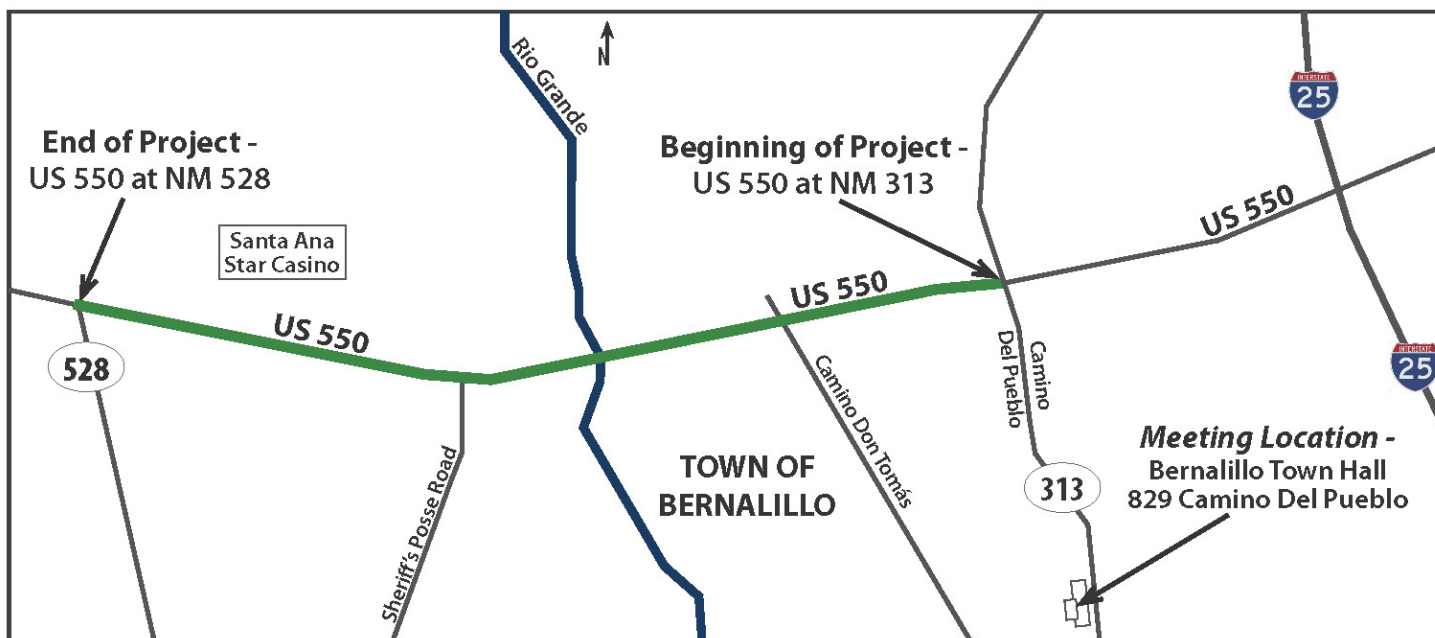

Meeting Date and Time:

Wednesday, October 4, 2017; 5:00 PM to 7:00 PM - Presentation at 5:30 PM

Meeting Location:

Bernalillo Town Hall Council Chambers, Bernalillo

829 Camino Del Pueblo, Bernalillo, NM 87004

The purpose of the meeting is to provide an update on the design and the reconstruction of US 550. Planned improvements will:

- widen US 550 to a 6-lane roadway with on-street bicycle lanes and continuous sidewalks,
- construct another bridge to accommodate westbound traffic across the river,
- reconstruct the intersection at US 550 and NM 528, and
- update and install a storm drain system in some areas of the project.

The meeting will present updates on the current construction project and on the design which has been carried forward from the alternative selected during the study phase. Based on public input, the preferred alternative has been refined to improve access to businesses along US 550.

If you have questions about the meeting and/or the reconstruction of US 550, please contact:

- Dawn Tibbetts or Chris Baca, P.E., Parametrix, (505) 821-4700
- Joseph Casares, P.E., NMDOT, (505) 798-6786

Project displays and project representatives will be available at 5:00 PM. A presentation will be given at 5:30 PM. Written comments will be accepted at the meeting or can be mailed or emailed to Dawn Tibbetts, Parametrix, 8801 Jefferson NE, Building B, Albuquerque, NM 87113 or to dtibbetts@parametrix.com.

To request Americans with Disabilities Act (ADA) related accommodations for this meeting, please contact Dawn Tibbetts with Parametrix at (505) 821-4700 at least two days before the meeting.
