Besides a wonderful collection of books, DVDs, and audio books our library offers programs, events, and fun year round, such as: movie night, Wii games, board games, Author Talks, community information, story time, and presentations geared towards children and adults alike. You will want to pick-up a monthly calendar or check it out on-line to see what is being offered throughout each month.

### **Downloading E-Books**

To download an e-book to your tablet or e-reader you must have a library card. You will also need to download the OverDrive Media Console to your device. Once that is done you can go to the library web site, log-in with your card number (do not put in the 0), and the phone number you have on file at the library. Scroll down to the New Mexico Library To Go icon. This will take you to the e-book webpage. Now just look around until you find a book or audio book you want to read or listen too. Hit download and you are on your way.....
