

## US 550

Reconstruction Project, NM 313 to NM 528  
Bernalillo, New Mexico

# Public Meeting

Please join us for a public meeting to discuss the reconstruction of US 550. Meeting information is below:

Meeting Date:

**Wednesday, May 24, 2017**

Meeting Time:

**5:00 PM to 7:00 PM - Presentation at 5:30 PM**

Meeting Location:

**Black Box Theater, Bernalillo High School, Bernalillo, NM**

The purpose of the meeting is to present and discuss the current project for the reconstruction of US 550 from NM 313 to NM 528 and for the construction of the new bridge. Project elements include:

- Building an “off-line” bridge to the north of the existing bridge to carry westbound traffic across the river on US 550.
- Expanding US 550 from NM 313 to NM 528 to include three lanes of traffic, a bicycle lane, and sidewalks in both eastbound and westbound directions.
- Reconstructing US 550 from the bridge westbound to NM 528 as a Super Street Concept.
- Reconstructing the US 550/NM 528 intersection as a Continuous Flow Intersection.
- Updating and installing a storm drain system in areas of the project corridor.
- Relocating utilities in areas of the project corridor.

The project carries forward the design alternative selected during the first phase of the project.

If you have questions about the meeting and/or the reconstruction of US 550, please contact:

- Dawn Tibbetts or Chris Baca, P.E., Parametrix, (505) 821-4700
- Joseph Casares, P.E., NMDOT, (505) 798-6786

To request Americans with Disabilities Act (ADA) related accommodations for this meeting, please contact Dawn Tibbetts with Parametrix at (505) 821-4700 at least two days before the meeting.

***The Project Team looks forward to your involvement at this meeting!***
